

## AEM clinches overall sector winner title at the Billion Dollar Club 2021 Awards

**Singapore, 15 September 2021** – AEM, a global leader in test and handling solutions, has been awarded the Best Performing Stock Award, Fastest Growing Company Award and Most Profitable Company Award by The Edge Billion Dollar Club 2021 for the Technology Equipment; Telecommunication Services sector. AEM also won for best returns to shareholders, fastest growth earnings, best weighted return on equity, and clinched the title for the overall winner for the sector.

The Edge Billion Dollar Club (BDC) recognizes excellence in companies that are listed on the Singapore Exchange (SGX) with at least \$1 billion in market capitalization.

Previously honored as a Centurion Club winner in 2020, AEM’s growth in the past year has promoted the company to the BDC, which is the first year the company is introduced in this category. Additionally, AEM was also the second-highest scoring company among all BDC winners.

Chandran Nair, the Chief Executive Officer of AEM, said: “We are proud and humbled to receive the awards from The Edge Singapore Billion Dollar Club. These achievements are a result of our commitment to provide comprehensive test solutions that enable our customers to maximize the reliability and potential of their innovation, thus driving their success. The recognition gives us confidence to continue to innovate, thereby ensuring a zero failure world.
