### **FINANCIAL GUIDANCE**

**FOR THE FULL YEAR ENDING 31 DECEMBER 2022 (“FY2022”)**

---

The board of directors of AEM Holdings Ltd (the “Company”, and together with its subsidiaries, the “Group”) wishes to announce that based on the current business outlook, the Group expects FY2022 revenue to be between S\$670 million to S\$720 million, and CAPEX to be around S\$10 million. For FY2022, the Group expects some margin compression in view of higher supply chain costs and an increase in R&D spend as we engage customers on new projects.
